

ANNUAL REPORT 2020-2021

"Learning is not the product of teaching. Learning is the product of the activity of learners" - John Holt

There is always a podium laid for every individual to Dream! To Desire! To Determine! To Decide their Destiny... Vidya Vihar Central School is one of the best in discovering every approach as flair to bloom into vibrant colour

With gratitude to God, ! A continuous journey of 21 yrs. Here I present our Annual Report for the year 2020-21.

Excellent CBSE class 10th result, as always, filled us with pride and I feel honored to mention that, we had 100% result for the academic 2019-20. Out of 123 students, top scorer is Ms Shivani KU with 96%.16 students secured 90% and above.

For XII, Out of 40 students, Maneesha Manikandan scored the highest with 92.8%.And three students secured more than 90%.

The Covid -19 Pandemic has forced educators to transform their lessons to Online versions in short span of time.

The academic year 2020 – 2021, faced a very challenging time which brought the world to a complete halt with the Corona pandemic and with lockdown all over the Nation. This isolation was unique and unprecedented event in our lives. It had become imperative to stay at home and we had to decide as to how meaningfully we could utilize our time. In these hard times, we had to maintain positivity and high morale.

Our teachers had to change to online teaching, requiring them to use various digital tools and resources and implement new approaches to

teaching and learning. I am grateful to have such wonderful team of teachers. They stood up and made the Pandemic into a a successful and fruitful academic year.

“ The learning of learners”, Current trends of teaching and learning necessitates a regular updating of teachers. Our teachers including me constantly strived to stay updated by attending various virtual seminars , workshops and training programmes. We decided to post the pre recorded sessions which include PPT’s, videos, audios etc. Through U tube link. So the teaching did not stop. To teach remotely, a classroom without students was a huge challenge for a teacher. This situation helped in inculcating the habit of “Self Study” in students. As per the plan, we began our new academic session from 1st April 2020 for the classes 9,10 &12. We all had faced a completely unprecedented crisis due to the spread of corona virus all around the world. However, this time had taught us how to build foundations of resilience to face difficult events in future. Conducting exams was the biggest challenge. Students were sent question papers through google forms and had to solve them under the supervision of their parents . Std. I to Std. VIII had to be promoted to next grades. We believed that our students would have solved the final exam papers at home honestly. This was “Self Evaluation”.“All work and no play makes jack a dull boy” so after study time, students were asked to remain engaged in household activities, reading books, making art/craft articles and also in doing physical exercises like yoga/asanas at home. A competition was conducted among the children category wise so as to inspire them to engage in household works .Almost everyone participated in the event and the winners were as follows.

Quarantine Contest

Teams were created for all the students and teachers of the whole school. Teams were made class wise and subject wise. In each team channels were made lesson wise. This enabled the teachers, students and parents to get the data for studying lesson wise.

Our teachers not only covered the scholastic areas but also the co-scholastic areas like Yoga, PT, Music, Art and Craft.

Readiness for online session The school conducted a survey to understand the availability of resources to assess the readiness for online sessions. The school created awareness amongst the parents and students through a online meeting by the Principal to understand the importance of online teaching learning process during pandemic period. 98 –99 % students attend the online sessions. Only 1-2% students who were not able to attend the online session due to network issue or some medical reasons were supported through offline medium . It was in the form of Videos prepared by the teachers and uploaded on You tube. The link of the same was provided to the students .They were also provided with hard copies of textbooks as and when lockdown was lifted in the area. Links of the textbook were provided . Regular meetings were conducted with the parents to understand the effectiveness of online teaching learning process.

Assessment of Learning gaps:

During online session verbal assessment by asking questions was conducted by the teachers . The various tests assigned in the form of Google forms gave an analysis of the performance of the class and question wise mapping . The teacher was able to map the learning gaps. Weekly test and activities were conducted to monitor the teaching learning process . The periodic test was conducted online to assess whether the learning objectives are achieved or not. Question wise

feedback was provided to the students during periodic test .Virtual interactions were conducted to understand the learning gaps from the feedback given by the parents. Academic Year 2019 started with a number of meetings and seminars that aimed at enhancing the school environment and discussion of curriculum areas.

- Principal conducted a meeting to give awareness about the New Education Policy, Learning Outcome and to love and win the hearts of children to change their behaviour and also directed to include Art Integrated learning, Gender Sensitivity in lesson plan.

“Real learning comes about when the competitive spirit has an ambitious desire.

Our students participated not only in various virtual CBSE competitions but also in other competitions. Various CBSE competitions were organized in the school during pandemic time where many students participated actively.

Fit India School Week Celebration

As per CBSE guidelines Fit India School Week was organized and all the students from classes 6th to 10th participated spontaneously in Yoga, Fitness Exercise, Poster Making etc. It was celebrated during the month of December (12.12.2020-22.12.2020) to support the nation-wide “Fit India Movement” and to inculcate healthy habits in students and teachers. The main objective of the movement was to encourage students to reduce the screen time and to increase active field time.

Various activities were conducted during this week which included rope skipping, freehand exercises, zig-zag run, shuttle run, chess, rubics cube, squats challenge, step up challenge, spot, jogging, rope skipping, hopscotch, dance, yoga, aerobics, poster making & so on. The events saw wide participation by primary, middle and senior wing students of

the school.

School Parliament Election

School Parliament members were selected online. It was done in a wonderful way. Everything done online. Students of classes 6 and above took part in it. There was MEET THE CANDIDATE programme, where all the students nominated introduced themselves through a video uploaded in the U tube(<https://youtu.be/Y5AjogsoLvA>) After the election, results were declared by the principal. (<https://youtu.be/nG-M9ycRHW0>)

Onam Celebration

Virtual celebration : Students of class I and II participated in Veetile Maveli (fancy dress), Floral Design competition by class III & IV, Craft making competition by class V & VI, Speech competition and Collage making competition by Class VII to class VIII were conducted. Culinary competition was done for Class IX & X. All enjoyed the virtual Onam Sadya. All the events were captured and published in school YouTube channel.

Independence Day & Republic day

Due to high number of Covid cases and lockdown the Flag hoisting was done with fewer staff and put up live on whatsapp. Class assemblies were conducted in every class, students presented speeches, songs in different languages. The pandemic has confined the students to their homes, but it cannot dampen their patriotic spirit and pride for the nation. In the times of virtual learning, we re-modeled the Republic Day rituals to keep the fervor of this important day alive in students. The tiny tots of our school celebrated the spirit of Republic Day by performing online dances on patriotic songs and they sang with utmost pride.

Christmas celebration

In the voyage of the discovery of excellence in the field of education, our endeavor of keeping the values- Love, Peace, Truth, Non- violence and Right conduct alive in our thought word and action. Several competitions like card making competition, Star making, Crib making, Christmas tree decoration, selected our Christmas friend and sending posting a gifts, Dance performance by class X and all were the parts of the programme.

We prepared the children for the Board Examination both X and XII. Offline classes started on 1st January, 2021. Sufficient revision was done to prepare themselves for the board examination. But due to the unfortunate covid situation CBSE was unable to conduct board examination. The asset of institution is the staff; we are also blessed in this regard. It will not be out of place to mention the diligent efforts put in this regard. It will not be out of place to mention the diligent efforts put in by my dedicated team of teachers and non – teaching staff. I express my sincere gratitude and admiration to all teaching and non-teaching staff for their great effort. When alert and cooperative parents

and dedicated team of teachers join hands together there is no question of child's failure in any field.

Our Institution is blessed with smart and innovative students. I thank all our students on this occasion. For all the efforts taken indeed a very proud moment for all the stakeholders as this brings positivity in such

pandemic situation and it acknowledges the fact that Vidya Vihar Central School was on the right path in online teaching

We express our heartfelt gratitude to all our students, parents, well wishers and patrons of our school whose constant support and guidance has helped maintain high standard of education and discipline in our school. We take this opportunity to commit ourselves to do our best to serve this locality through quality education. We seek the blessing from the God Almighty to help and guide us in the right direction.

“Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great.” Last but not the least, it is true that all the progressive and praiseworthy work has been possible only because of the massive cooperation of everyone associated with School. Our sincere thanks go to students, faculty Members and Management. We would like to extend our special thanks to all the parents, who were always there to follow us. To conclude, we can only say that we are committed to produce super useful, confident, efficient and self-sufficient students, who carry out the values of love, compassion, empathy, truthfulness and sacrifice everywhere. Let me conclude this report by invoking the blessings of the great Almighty, to shower on us his abundant grace continuously to fulfill our mission to provide value based education for our younger generation and enable them to become the ideal citizens of our progressing nation. With the grace of Almighty our school has been making a study progress in the right direction. This cannot be achieved without an excellent team work.

We have been getting a great support and cooperation from all management trustee members, staff, parents and students. We extend our sincere thanks to all of them. To conclude, I would like to emphasize that we continue our challenging journey towards excellence in education and solicit cooperation and support from everyone for the same.
